

WARPOLE SHINING STAR

Volume 4 Issue 3

by Darcie Miller

From the East

The installation of the 2018 officers of Warpole Chapter, held on November 2, marks the beginning of a new year. Larry Miller was installed as a first time Worthy Patron. Our theme for this year is "BE THE REASON." Our goal is that our chapter and member, as individuals, will *be the reason* that someone smiles, someone feels loved, someone feels that they matter, and they believe in the goodness of people. The Worthy Grand Matron and Worthy Grand Patron are encouraging each chapter to give to their communities this year. We want to reach out to individuals and organizations who need our love and support. We plan on doing this by regular donations to the food pantries within our communities, continuing our Angel Tree giving, and honoring & recognizing our first responders. All the members of Warpole Chapter are vital in the success of these goals. We encourage you to give what you can; be it your time, your talents, monetary donations or your prayers. Be the reason others recognize the good of our order. WE thank you for all that you do and encourage you to contact us with any questions, suggestions or desire to be involved. Let us be reminded of our blessings as we celebrate Thanksgiving and remember the reason for the season as we celebrate our Savior's birth.

Happy Thanksgiving and Merry Christmas to all!!

Star Love,

Sharon Kloepfer, WM and Larry Miller, WP

TOM ZEIGLER HONORED

Warpole OES member and Past Patron, Tom Zeigler was recently awarded the coveted Earl C Gifford Distinguished Service Award of The Grand Chapter of Royal Arch Masons of Ohio at their convention held in Independence. From their Grand Chapter code: Subject award shall be made to those Companions selected by the Awards Committee and Grand High Priest from nominations made in accordance with the prescribed form and qualifications listed thereon. The number of awards given during the Capitular Year shall not exceed four(4). Tom was then installed the next day as the new Grand Fraternal Correspondent (GFC). A description of his new duties are: The GFC shall review all foreign communications and proceedings submitted to him and report thereon to the Grand Chapter of Royal Arch Masons. This office is an appointed grand officer made by the new Grand High Priest, J Keith Green from the Toledo area.

Although not revealed in the award presentation, we believe it is due in part to his service to the local Royal Arch Chapter and his outstanding Web site he maintains as their Webmaster for many years.

In addition to being a Past Patron of our Warpole Chapter, he is a former member and Past Master Councilor of the DeMolay Chapter. He is also a past presiding officer of all three Masonic groups in Upper Sandusky and Past Commander of DeMolay Commandery in Tiffin, qualifying him to his election as a member of Ohio Priory #18, Knights of the York Cross of Honour.

The only other two men selected for this prestigious award from Upper Sandusky are John P Miller and Robert W Case. Both were Heroes of Tom, he is in very good company, congratulations Tom.

DID YOU KNOW THESE 10 ITEMS?

That our Masonic Temple's cornerstone was laid in September, 1909.

That it was built solely for fraternal purposes.

That it was dedicated in 1910, about one year after the cornerstone laying.

That a huge group of Masons attended both ceremonies.

That most attending traveled by train even from Carey and Nevada since roads were not as refined as today's.

That a parade was held on dedication day traveling from near our present location, past the area of St. Peter Church on North 8th St, returning and passing the now Lucas Funeral Home on S Sandusky Ave and then returning to our present location on Johnson St.

That the trowl used by the Grand Master of Masons to lay the cornerstone is proudly displayed in a case on the wall near the tyler/sentinel station.

That Warpole Chapter 366 was started about 4 years after the building's dedication.

That the chapter celebrated its 100th anniversary in 2014.

That Warpole Lodge, owner of the building, was started in 1849, about 11 years before Lincoln was elected President and the Civil War began.
