Years Ago- Years To Go!

Warpole Chapter is now in summer recess. As I look back, we have accomplished many old tasks and a few new ones. We added two new members to our roles, established a newsletter to give our members information about their chapter, and set up a website to let anyone who has access see what the chapter is doing at any time, to name a few. We have remained close with our lodge brothers by providing refreshments, helping with their special events, and cleaning the temple as the months go by. These are only a sample of our yearly duties, and I am proud of the chapter for being willing to accomplish all of them. But this year, there was one event that far outshines the rest; our 100th celebration and the planning of it!

The celebrating started with a dinner for our own Past Matrons and Patrons on May 8th. There were 38 in attendance, and each one enjoyed hearing the highlights of everyone’s year in office. The actual 100th year event took place on June 11, 2014 with a visit from our Worthy Grand Matron, Gail Walsh and Worthy Grand Patron, Steve Farus. I cannot name all the members that took part in the planning and executing of this visit, down to providing our own refreshments and entertainment for the evening. But no Worthy Matron could have been prouder!

However, there is one part of that evening that cannot go unmentioned. When it came time for the presentation of Warpole Chapter’s Past Matrons and Patrons, all 140 in the chapter room could not believe their eyes as the Conductresses presented lines of over forty in the West. What a tribute to our heritage! As our Worthy Grand Matron said, “I have never seen anything like this!”

Thanks to each and every one of these members for loving their chapter enough to be part of that night and start another 100 years in her existence.

RED RUBY SLIPPERS

Someone at Warpole Chapter is wearing red ruby slippers and it is not Dorothy! PGM JoAnn Hastings, on behalf of the Worthy Grand Matron & Patron, surprised Warpole Chapter and Roberta Ekleberry at our inspection on March 28, 2014 by asking Roberta to serve as the Grand Representative of Kansas in Ohio. She has been very busy following her yellow brick road all over the state of Ohio.

Congratulations Roberta, we are so proud of you!

MISSION POSSIBLE!

Charlotte Leeth went on her annual trip to the Ukraine the end of May through mid-June. She took with her many items to be used at the children's orphanage she visits. Warpole Chapter contributed a sunshine fund to Charlotte for the purchase needed items.

We are so glad Charlotte had a successful trip and has returned safely to her family and to us.

THANK YOU Charlotte for this selfless annual mission!
